ABOUT ME

An electrical and computer engineer with passion for his work , able to solve every problem he faces with innovative and fast solutions. Can cooperate with others who deal with large and demanding projects. He always tries to be consistent and learn new things even if this means to search it by himself or from e-learning courses. He has many interests like **data analysis and visualization , software and web development and machine learning.**

PERSONAL

- Member of Technical Chamber of Greece.
- Driving Licences (A1 , B , Speedboat).
- Pool Lifeguard Certification.
